Activity Flow

- Break the group into diverse groupings of 5 - 7 people
- Ask them to write a description of the topic (eg their unit's role, the purpose of the program, etc) in exactly 16 words - no more, no less
- When the groups have finished have them present their descriptions.
- Ask the other groups to pass 'judgment' in the usual manner eg clapping and cheering
- When all the descriptions have been heard, instruct the groups that they can now take any ideas from all the descriptions and rewrite their statement, this time, in exactly 8 words (no more, no less)
- Repeat the process if time permits and do the statements of four words.

Debrief

- What did this process do to our understanding of 'x'?
- What new insights do we have about 'x'?
